The FY 2022 operating budget is \$54,757 which is \$9,381 higher than FY 2021. Most of this increase is due to the provision of more money for service speakers, a somewhat higher monthly payment toward our building mortgage loan and increases for inflation.

Our non-operating capital budget is \$13,700 which includes a further paydown of our mortgage debt and some improvements to the building. It would be helpful if you could increase your FY 2021 pledge a tad to reflect these needed expenditures.

My total pledge for FY 2022 is \$ _____

I plan to contribute according to the following schedule: (Please check one)

52 weekly payments of _____ starting on the first Sunday of the month.

12 monthly payments of _____ starting on the first Sunday of the month.

4 quarterly payments of _____ starting on the first Sunday of the month.

1 annual payment of _____ paid on _____.
